Plan 13:1S

CATALUNYA GRAND PRIX CIRCUIT

The Circuit de Catalunya is purpose built and opened as recently as 1991, thus the designers were able to take account of modern Formula 1 racing techniques as well as viewers requirements. Many of the features are sponsored, hence the familiar names of curves.

Contents

C8206	Radius 2 Curve 45°	x 30	C8200	Quarter Straight	x 4
C8202	Radius 1 Curve 45°	x 23	C8207	Half Straight	x 22
